Holy shit holy shit holy shit.
@gewehrstammamerika on dc said he was gonna stab some popular girl at his school, stab her in the neck, and threaten the police with bombs.

And the dude who told me about this (pancakrv) had genuine tears in his eyes.

Feel bad for the dude who said he was gonna dude that.

He was showed porn and gay porn by a dude who was 3 years older then him. And got raped by him.

Fuck i feel so bad for him

Hopes his plan goes well tho
